The liability on the part of DURABLE for default is excluded. Apart from that the liability for the violation of substantial contractual obligations is limited to the damages that are usually reasonably foreseeable at the time of concluding the contract unless a limitation is not excluded for another reason due to an intention or grossly negligent action respectively due to violation of life, of body or health.

*** PVC-P (PVC smooth) information:**

Plasticizer in the PVC-P is SVHC after actual REACH candidate list (> 0,01 % w/w in the complete product)
>> production until autumn 2013

Bis(2-ethylhexyl)phthalat (DEHP, DOP)
CAS-Nr. 117-81-7
EINECS-Nr. 204-211-0

Plasticizer in the PVC-P (no REACH disclosure requirement, no SVHC)

>> production from autumn 2013

Di-2-propylheptylphthalat (DHPH)
CAS-Nr. 53306-54-0
EINECS-Nr. 258-469-4

(which is **not** listed in the actual REACH SVHC candidate list)
