

Zubehör siehe 05200 – 05280.

Technical drawing of a mechanical component, likely a bracket or arm, showing dimensions and a detail view.

Main View Dimensions:

- H : Total height of the component.
- M : Width of the mounting flange.
- H_2 : Height of the mounting flange.
- H_1 : Height of the main body.
- H_4 : Height of the mounting flange.
- J : Distance from the mounting flange to the main body.
- F : Force applied to the mounting flange.
- L_5 : Distance from the mounting flange to the main body.
- L_4 : Distance from the mounting flange to the main body.
- L_1 : Distance from the mounting flange to the main body.
- L_3 : Distance from the mounting flange to the main body.
- L_6 : Distance from the mounting flange to the main body.
- L : Total length of the component.
- D_1 : Diameter of the mounting hole.
- A : Distance from the mounting flange to the main body.
- 2 : Distance from the mounting flange to the main body.

Detail View Dimensions:

- S : Width of the mounting flange.
- S_1 : Distance from the mounting flange to the main body.
- S_2 : Distance from the mounting flange to the main body.
