

Easipower PlusTM

COMBI 600ml

A single component battery powered bead applicator for cartridges and sachets

Variable Speed Trigger for greater speed control during dispensing. Very useful for inexperienced operators.

Trigger lock to prevent accidental discharge of material.

Adjustable Speed Dial from 1(low) to 9(high) for choosing speed of material flow.

Rubber rest pads to prevent tool from slipping off worktops and to protect it when put down.

PRODUCT FEATURES:

- Maximum rack speed of 8.0mm \ sec which gives higher material output.
- Rubber overmouldings for improved grip and comfort.
- Auto-reverse function to stop material flow when trigger is released.
- Rapid battery charge within 30mins (0-100%).
- Universal charger for worldwide use.
- Overload shut off function to prevent damage of the tool.
- Light weight for prolonged and comfortable use – even in difficult spaces.
- One applicator for cartridges AND sachets.

The Cox Easipower Plus is part of a range of battery applicators. Designed for use with low to medium viscosity sealants and adhesives, the Cox Easipower Plus is ideal for semi-professional users.
